

HEADTEACHER COMMENT OF THE WEEK

Thank you for your continued support since we have returned to school in September. On Tuesday this week we welcomed back class 3HF who had been isolating. Thank you parents for supporting your child in completing their virtual learning whilst the bubble was closed. We look forward to welcoming back our nursery children and staff on Monday 28th.

On PE days can you please ensure that your child wears either black shorts or black or grey joggers (no multi-coloured joggers please) with their purple PE top.

Thank you so much for continuing to social distance at the start and end of the school day whilst dropping off/collecting your child and waiting patiently whilst queuing.

I look forward to working with all of our families over the term.

UPDATED INSET DATE

Monday 5 July 2021 is NO LONGER an INSET date. It has been replaced with Monday 19 April 2021 which is the day after Easter, so therefore children will return on Tuesday 20 April 2021

LUNCH MENU UPDATES

In addition to our current menu the following dishes will also be an option on the following days of WEEK 2 menu

Monday - Cheese Pinwheel

wednesday – Quorn Mince Pie in a pastry case served with gravy & vegetables

Thursday – Cheese & Potato pie served with Garlic Bread & Sweetcorn

In addition to all our desserts there will also be a daily option of Fruit & Jelly served.

SAFEGUARDING

All children must be supervised by an adult at the start and end of the school day. It has come to our attention that some children are being dropped off at school at the bottom of the gate in a morning and left to walk to class by themselves. We have no way of guaranteeing your child's safety before the classroom doors open in a morning if they are left unsupervised.

Thank you for your co-operation.
