

### HEADTEACHER COMMENT OF THE WEEK

We had the photographer in school today it was lovely to see all the children lining up in their classes so sensibly. Thank you to everyone that has supported this year's poppy appeal in purchasing pin badges, poppies and slap bands. It was also lovely to see the work across the school from all year groups showing the work they have done to celebrate remembrance day.

As part of our Senior Leadership monitoring this week we had all abilities of mathematics books from early years to year six in to monitor and it was super to see the progress that's being made across all year groups.

Welcome back to Mrs Maddison who is returning fully from her maternity leave early December and in the meantime has started to work one day a week until then with class 3PG.

A reminder that Monday 16 November as part of anti-bullying week children and staff are asked to come into school wearing odd socks. Thank you as always for your support.

I'd also like to mention again well done for the 2<sup>nd</sup> week running to Mr Fazal and class 3HF who have yet again achieved 100% attendance this week. It really is a superb achievement. I know in the current situation there are times that non-attendance due to Covid can't be helped but it really is super that 3HF have been able to achieve 100% again.
