

### HEADTEACHER COMMENT OF THE WEEK

All I can say is Wow! Well done to everyone across the academy this week for their attendance. I'm so impressed to say that we are back above National this week. Special mentions to 2CG, 3PG & 4KR classes who have all achieved over 98% this week.

It's so lovely to see so many pupils in school and learning.

All children are now getting back on track and making huge steps to close the gap of lockdown.

Year six have made a fantastic start and tried really hard during their mocks this week. I'm so pleased with the progress they have made. Keep up the great work.

Year two are doing their phonics screening over the next two weeks and again have made a fabulous start. The children have really made brilliant progress this term and have had excellent attitudes towards learning. Well done Year Two. Thank you everyone for the support you've given to our pupils on return. All children have received super quality first teaching as well as interventions and one to one support to help close the gaps in learning. Our teaching assistants and HLTAs have supported pupils and addressed any gaps in knowledge. A great term so far. Keep up the great work.

Today M&M Productions came in to present a socially distanced Covid safe presentation of The Wizard of Oz to our children. A great time was had by all. KS1 children will have their performance very soon.

Have a lovely weekend and stay safe
