

HEADTEACHER COMMENT OF THE WEEK

I'm thrilled that our attendance is back around the 96% mark and seems to improve week on week. Well done to 2CG who achieved 99.43% attendance this week, followed closely by 3PG with 99.41%.

Keep up the good work everyone.

As we approach the last two weeks of term I'm looking forward to seeing our Mrs Shipley's room turned into our 'Magical Disney Christmas' grotto. We have been overwhelmed with the response for the number of children who have paid to attend the grotto and meet the virtual elves. This event will run Wednesday to Friday next week which will also coincide with Christmas Jumper Day on Friday and our Christmas lunch on Wednesday. We will also be running a Christmas gift shop on the same days so each class bubble can come and purchase items.

Together with Mrs Busby our Attendance Officer I will very shortly be inviting those children that have really improved on their attendance since September to afternoon tea. I look forward to sharing details of how that went in the next couple of weeks.

Please continue to stay safe and look after your families

FLU VACCINE

If you would like your child (Reception to Y6) to be given a nasal spray flu vaccine on Monday 14 December **then please return your permission form by NO LATER than Wednesday 9 December** to Mrs Hammond in the office

Unfortunately, if we don't receive the consent form they may not be able to receive the vaccine

Thank you in advance

CHRISTMAS CARDS

Unfortunately due to Coronavirus we're asking that children don't exchange christmas cards this year. This will help to avoid cross contamination between households.

SHED DELIVERY

We are expecting a delivery of a new shed on Friday 14 December via our Pargeter Street entrance. For our families that live in Pargeter street near to our entrance please be mindful that day with car parking.

COVID SYMPTOMS

A reminder that if any of your children are showing coronavirus symptoms then they **MUST** remain at home. Please do not try to send them to school whilst they are awaiting a test. Likewise if anyone in your household is showing symptoms then the rest of the household should also isolate. Please ring 119 for any information
