

HEADTEACHER COMMENT OF THE WEEK

This week I have enjoyed visiting all of the classrooms to see fantastic learning environments that have been created to support our children. In our Senior Leadership meetings this week we have been looking at the children's mathematics books. It's great to see how well the children have settled back into school. The work in their books was well presented and demonstrated a good understanding of the concepts taught. We expect all of our pupils to produce their very best work at all times and take pride in their work.

It's been lovely hearing about the fabulous work across the academy and I know the reception children have particularly enjoyed learning about the tropical rainforest and enjoyed a special visit from the Madagascan Love birds.

Our attendance this week is lower than usual. We are aiming get our attendance back up to national. Let's see if we can improve this next week.

COLLECTION AT HOMETIME

Please ensure that your child is collected on time at the end of the school day. If you are going to be late for any exceptional circumstance, please telephone the school office in advance.

CONSIDERATE PARKING

Please consider our neighbours if your drive to school when dropping off and collecting your child(ren). We have received complaints from local residents who are constantly having their driveways blocked. We appreciate that the roads do get congested around the school but please have consideration when parking.
