

### HEADTEACHER COMMENT OF THE WEEK

This week our reception children have thoroughly enjoyed watching our chicks hatch. The children were very excited to see eight chicks hatch. It's wonderful to hear them talking about the chicks and how they are growing and changing each day.

On Thursday our year two pupils explored the moon landing via virtual reality headsets.

The children were totally emerged in the experience and gained a wealth of new knowledge. The children could confidently answer questions and discuss the topic.

Also, our year five pupils via the VR headsets were transported into an Aboriginal workshop as part of their topic.

Our attendance has been better this week and is now starting to increase. Keep up the great work for our last week of term. We have exciting rewards planned for the summer term for those children with excellent attendance. Well done to 4WC who have won the weekly attendance challenge two weeks running.

I'm pleased to inform you of some developments and improvements on site. We have our new 'Well being' room and Retreat that are being decorated this week. I will share some photographs next week. Also, we have had our school swimming pool area refurbished and ready for use in the summer term too. It will be great to see our pupils using the facility again soon.

Next week will be the final newsletter of this term as we prepare to break up for the Easter break.

Please continue to stay safe

Mrs Lathbury-Cox

### REEDSWOOD FAMILY CHALLENGE!

This week's challenges are:

Write a kind note to your neighbour.

Play a board game with the people in your house.

## E-ACT'S GOT TALENT
