

HEADTEACHER COMMENT OF THE WEEK

On Monday we had our Governance Review Day (GRD). Our regional director and I visited all classrooms. It was super to see all of our children across the academy fully engaged in learning with positive attitudes towards learning.

I visited a super Fact Finding session in EYFS this week where the children were extending knowledge on people that help us and were learning new vocabulary. All of the children were able to predict occupations from image clues. The partner talk was absolutely super.

During the day the children were observed at break and lunchtimes and behaviour was outstanding at all times. The children were enjoying playing outside, staying in their class bubbles and using the zones and equipment. The regional safeguarding lead asked the children questions in relation to staying safe and behaviour. Our children were really confident to talk about staying safe and how we follow our behaviour expectations

I was really proud of how they spoke with pride about being part of our Reedswood academy and they all demonstrated a love of learning too.

The younger children were heard read and they were able to use the phonics knowledge to decode and read a familiar book. Well done to EYFS and Y1 pupils.

Some children have been sharing talents this week and have entered the E-ACT talent competition. Good luck to everyone that has entered. Mrs Johnston and I have enjoyed watching the video clips that have been sent in. We have had 8 Entries.

Finally, may I remind you that Thursday 6th May our Pargeter street nursery is closed to both morning and afternoon children as the building is being used as a polling station. Children in all other year groups will be in school as normal.
