

### HEADTEACHER COMMENT OF THE WEEK

As part of the year six graduation project, today the children took part in sports activities. Next week they will be covering history, science, geography, art & DT. I look forward to seeing the finished pieces of work.

Early next week I'll be sending out parent view questionnaires. Can I please encourage you to complete and return the forms. Normally we'd ask parents to complete them in person during our parents' evenings but as we're still not having them in school due to Covid restrictions. All completed forms will be entered into a raffle to win a luxury hamper. Thank you in advance.

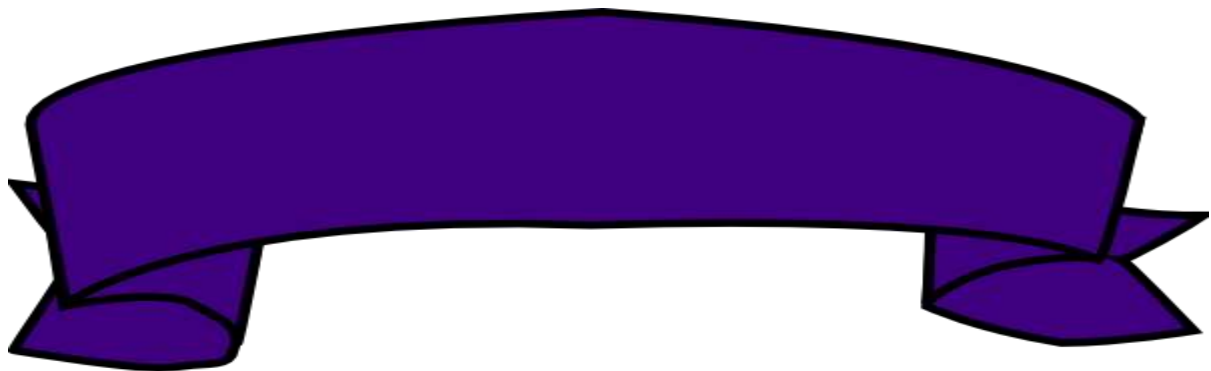

I'm pleased to say that the sailing trip the trust planned for the summer term looks likely to be still going ahead despite continuing covid restrictions. Look out for further details from Mrs Shipley.

Well done to Mr Hussain and 6BH who achieved 98.42% attendance this week. Keep up the great work.

May I take this opportunity to wish all our families who are celebrating Eid next week an enjoyable time celebrating with your families.

Wishing you all a lovely weekend

Mrs M Lathbury-Cox
