

### HEADTEACHER COMMENT OF THE WEEK

Another exciting week at Reedswood. On Tuesday our year two pupils enjoyed a Punch and Judy show. The show was very funny and the children enjoyed asking lots of questions about the history of the puppets. Across the school over the next few weeks we have our artist in residence. He is working with different year groups to explore and use a range of art materials. The first being the use of clay for sculpture. Our children in nursery explored making clay on Tuesday, I'm sure the teachers will take some photos to share with you.

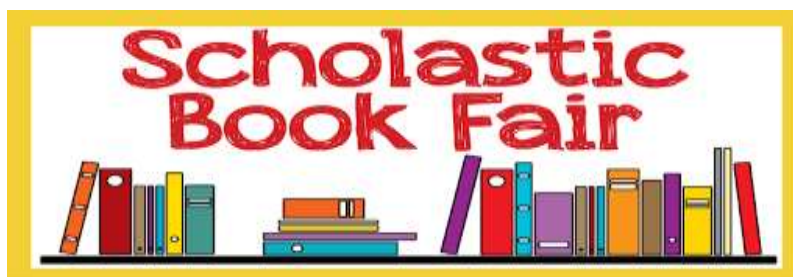

I want to alert you to our renewed website. Mr Peatroy has worked tremendously hard to improve the whole website as part of a trust-wide refresh. I would like to personally thank him for his hard work to turn around these changes so quickly. I'm sure when you see the website you will agree how easy it is to find what you are looking for. Please take a look.

Drop and collection seems to be going well too. Thank you for supporting us as we move back to some type of normal. I will keep you informed in relation to any government updates after the announcement on 21 June. In the meantime, can I thank you for supporting us in staying safe.

I'm pleased to say that our attendance has improved significantly this week. I'm particularly impressed we all classes that are over 98%. A huge improvement for year six this too week. Well done. Please continue to support Improving our attendance. Well done to Mrs Beresford & 5PB for achieving 99.17% attendance overall this week. Keep up the great work.

Finally, may I remind you that we have limited uniform stock on site and you can start to use our new supplier for any future purchases.
