

HEADTEACHER COMMENT OF THE WEEK

Last week our year six pupils headed off on their residential to the Isle of Wight. The children had a fantastic time taking part in a range of water sports. The weather was beautiful. It was a fabulous opportunity for the children to work together as a team and learn a range of new skills. Huge thanks to the staff for looking after the children. Look out for the Twitter posts. I'm sure the children have enjoyed sharing with you some of the wonderful activities.

On Tuesday this week We held our year six graduation assembly. We welcomed Matthew Flannigan our National Director of Primary Education to present the awards.

Unfortunately we were unable to invite parents to the event because of the Covid restrictions. However, we have recorded the event so that we can share this with you very soon on Google classroom. Our year six have continued to work amazingly hard in all subjects, some special projects and competitions as part of the graduation. The enterprise project was a particular success. Children enjoyed making a range of goods to sell. The celebration event was a real success.

They thoroughly enjoyed a trip to Drayton Manor yesterday too. Staff commented on what a super day it had been and the children were incredibly well behaved.

Today our year two pupils are visiting Weston Super Mere. All of the children were looking forward to this trip with great excitement. I can't wait to hear how it goes. Next week we will send out information about our summer holidays clubs and an exciting opportunity for booster sessions in September too.
