

Thank you to all our year six parents for attending the meeting this week to set targets for our pupils. 100% attendance - thanks everyone.

I enjoyed visiting all classrooms this week to see our pupils in action in a number of science lessons. Everyone was engaged and excited about learning.

We are working hard to improve our handwriting and presentation across the academy and children have signed our 'pride and presentation' agreement at the start of term. We can't wait for you to come in and see their books to see how hard they are working and the improvements they are making.

I wanted to share with you the curriculum development work that we have undertaken over the last two years. Please take a good look at our website.

These are our Reedswood curriculum Aims and Principles that we embed in all our subjects.

Take another look at our curriculum on our website to see our new knowledge organisers too.

We opened our community hub this week and welcomed parents to two new workshops. See our Autumn Term events.

After school booster sessions are available for years 2-6 from next week, please see the timetable on the reverse on the newsletter.

**Years 2 & 3: 4-4.30    Years 4 & 5: 4-4.45    Year 6: 4.30-5.15**

I'm looking forward to seeing you at our parent council next week.

Mrs Lathbury-Cox

### Our Vision is to

Provide outstanding and inspiring teaching and learning, with consistently high expectations

Create a happy, secure and industrious school in which children are equipped for life in the wider community

Offer a rich, exciting, creative, inclusive curriculum, which will enable each pupil to develop as a whole person

Celebrate each individual as a unique personality with physical, intellectual, emotional, social, aesthetic and spiritual needs

Work in partnership with pupils and their families and the wider community

Motivate and challenge all pupils to achieve and encourage excellence in a wide range of academic, cultural and sporting activities

Work as a team, taking pride in our collective responsibility

Develop a culture that promotes respect for self, others and the environment

Create a climate of trust and honesty

To prepare pupils for everyday life
