

HEADTEACHER COMMENT

It's been a busy final week in the academy as we approach the half term break. Our artist in residence visited as part of wellbeing. We also held science workshops across the year groups as part of topic lessons.

I'm excited to announce that in our early years, over the half term break we are having an immersive classroom built. The floors and walls will be fully interactive, enabling the children to step inside a new adventure!

We've also had a new climbing frame complex installed in our nursery garden. I'm sure the children will very much enjoy using the new equipment.

Plans are in place for an outdoor library – watch this space for updates.

Finally, I wish you a relaxing and safe half term and look forward to welcoming children back on Tuesday 2nd November for the next half term.

A MESSAGE FROM OUR KITCHEN...

In response to some parental concerns regarding the meat that is served from our school kitchen. We would like to clarify the following: "Our school meals follow the provision and guidance of the HFA (Halal Food Authority). We work closely with our catering providers to ensure we have in place the relevant certification and documentation to ensure that our food meets these required standards." We would like to assure families that along with the HFA meat a vegetarian option is always available too.
