

HEADTEACHER COMMENT

As you know we have always provided booster, phonics, forest school and a range of sports clubs. These clubs have always been well attended and popular. In our budget this year we have identified clubs for every year to offer additional scope and variety. I'm thrilled to say that there has been an amazing response. If your child wants to take part and haven't been able to get a place this term the offer will be there next term too. We hope that all children that want to attend a club over the year will get a place.

Thank you for supporting our children in need event today. It was fabulous to see the competition between the classes to win the silent disco.

I would like to remind you that via the trust we are still continuing to offer after school Mathematics & English lessons after school. Please ask you child's class teacher for login details.

As you can imagine the remainder of the term is very busy with lots of activities planned, which I very much look forward to sharing with you.

Well done to 4CO for achieving 98.51% attendance this week. Keep up the great work.

Finally, I'd like to say a massive well done to our nursery children as they have raised over £200 for Children in Need by completing a Dance-A-Thon. Thank you to the families that kindly sponsored them.

Mrs M Lathbury-Cox

SPORTS COMPETITIONS

We have had a busy few weeks for inter-school sport. The football season has now begun and we have two Year 5/6 teams entered into the leagues. Our first team, currently sits second in their league, after winning two of their three opening games. The second team, began their league season yesterday and began with a win and a narrow loss. Well done to Akin, for scoring four goals.

We recently entered two teams into the Willenhall netball tournament. One of our teams won their group, whilst the other came second. There were also some excellent individual performances, notably from Chelfanelle and Nishawan, who played exceptionally well together as goal attack and goal shooter.

We also entered the Year 3 and 4 skipping competition, which was an excellent event attending by at least one hundred children. Again, we had some notable performances, especially Keira and Gurleen, who performed really well in a variety of different skips.

For the rest of the term, the focus will be on inter-school football, with both leagues getting into school swing. Next week our B team are competing again, with the A team competing the following week.
