

HEADTEACHER COMMENT

Thank you to the staff that organised our Breakfast with Santa last week. It was a wonderful success. Thank you also to parents that attended following covid guidance rules. It was also wonderful to see our reception children take part in their nativity this week. Well done children! Our KS1 children recorded songs in their classes rather than attending church. As part of our E-ACT Passport we have linked to two residential care homes and our children have made Christmas cards and gifts. Thank you to Mrs Seager who very kindly delivered them yesterday.

I had the pleasure of five children joining me yesterday for afternoon tea to mark the fact they have really tried to improve their attendance. Well done children, keep up the good work! Mrs Busby our attendance officer was joined by well over 100 children for cookies and juice yesterday to celebrate achieving 100% attendance for the autumn term. The same children will also be rewarded with a trip to the cinema within the first couple of weeks back after Christmas.

As you will be well aware the government covid updates are very often a moving picture and should there be any changes over the Christmas break that affects school, we will obviously let you know.

I'm not anticipating any school closures but any type of remote education would be accessed via Google classroom or Purple Mash for our early years.

Finally, may I take this opportunity to wish you and your families a wonderful restful break and I look forward to seeing you all in the new year.

Stay safe!

Kindest regards

Mrs Lathbury-Cox
