

Spring – Art Year 3 Knowledge organiser

I'm learning to ...

- Develop drawing, painting and collage skills
- Introduce using all our senses to inspire imagination
- Explore how combining elements gives new ideas
- Develop individual and class creativity
- Develop talking skills around art
- Connect to music
- Develop observational drawing skills
- Introduce ideas about design & communication
- Explores tactile & physical drawing skills

Prior knowledge

Using pens to draw observations and continuous line drawing.

New vocabulary

Lowry mark making
hatching swirls
typography subject
matter colour
medium large scale
observational drawing
shading

Key skills

- Practice and develop sketchbook use, incorporating the following activities: drawing to discover, drawing to show you have seen, drawing to experiment, exploring colour, exploring paint, testing ideas, collecting, sticking, writing notes.
- Enjoy looking at artwork made by artists. Look at artforms beyond the visual arts: literature, drama, music, film etc. and explore how they relate to your visual art form.
- Develop questions to ask when looking at artworks.
- Explore how ideas translate and develop through different medium (i.e. a drawing in pencil or a drawing in charcoal).
- Practice observational drawing from the figure, exploring careful looking, intention, seeing big shapes, drawing with gesture, and quick sketching.
- Using observational drawing as a starting point, fed by imagination, design
- typography.
- Make larger scale drawing from observation and imagination
- Apply and build upon colour mixing and mark-making skills previously learnt, thinking about how certain colour ranges/combinations affect the outcome.

New Knowledge – Learn all about Lowry and develop drawing skills using shading and tone. Draw more using observational skills

and imaginary.
