Using charcoal and graphite

For mark making and drawing.

New vocabulary

Mark making detail

hatching carbon paper

observational Henri Matisse

cut out collage ink wash

Key skills

- Use growing technical skill and knowledge of different drawing materials, combined with increasing confidence in making a creative response to a wide range of stimuli, to explore more experimental drawing, following child's own interests/affinities.
- Combine artforms such as collage, painting and printmaking in mixed media projects
- Begin to feel a sense of ownership about the sketchbook, which means allowing every child to work at own pace, following own exploration
- Explore how ideas translate and develop through different medium (i.e. a drawing in pencil or a drawing in charcoal).
- Layering of media, mixing of drawing media.
