## Key skills

- Increasingly see the sketchbook as a place which raises questions which can be explored/answered outside the sketchbook.
- Practice and develop sketchbook use, incorporating the following activities: drawing to discover, drawing to show you have seen, drawing to experiment, exploring colour, exploring paint, testing ideas, collecting, sticking, writing notes.
- Enjoy looking at artwork made by artists, craftspeople, architects and designers.
- Discuss artist's intention and reflect upon your response
- Look at a variety of types of source material and understand the differences.
- Explore the relationship of line, form and colour.
- Follow a series of guided activities which each offer pupils an opportunity to make their own individual creative response.
- Explore scaling up drawings, bringing in all mark-making skills.
