

HEADTEACHER COMMENT

On Wednesday our year six pupils were really excited to be going to London. They had a fantastic residential and have enjoyed visiting the sights. A huge thank you to everyone for making this such a successful trip. Thanks to the staff for volunteering to go and our trip organiser Mrs Woodward. I know we have some big plans in progress too for some future residential visits.

We are busy benchmarking the children for reading over the next few weeks. I'm sure the children will be delighted to change their book band. We are really proud of the progress they are making.

Our attendance is improving now and I'm pleased to say that we have very few Covid cases. I will continue to monitor this and update you. Staff and visitors are required to wear face coverings as recommended by Walsall public health team.

Well done to 6BH who achieved 98.33% attendance last week.

Mrs M Lathbury-Cox

COLLECTION AT HOMETIME

Please ensure that your child is collected on time at the end of the school day. If you are going to be late for any exceptional circumstance, please telephone the school office in advance.

CONSIDERATE PARKING

Please consider our neighbours if your drive to school when dropping off and collecting your child(ren). We have received complaints from local residents who are constantly having their driveways blocked. We appreciate that the roads do get congested around the school but please have consideration when parking.

BOOK FAYRE

We will be holding our first book fayre of this academic year

Monday 14 February to Thursday 17 February

WALSALL COLLEGE

Walsall College will be running FREE five-week family maths and English courses for adults to help children at Key Stage 1 and 2 use maths and/or English in a fun way!

The courses will be held at our Hawbush Campus every Monday from 17th January with our English sessions taking place from 9.30am – 12pm, while our maths sessions run from 12.30pm – 3pm.

You can decide to do either the maths or English courses, or even both.

Whilst meeting new people, you will be able to learn how to:

- Create activities relating to numbers, shapes or your children's favourite book
- Produce games and activities to be played with your children
- Build maths and/or English into everyday activities at home
- Gain confidence and develop maths and/or English skills in a fun way

These courses are for any adults responsible for children such as carers, parents or grandparents.

To register your interest for one or both sessions, call Lynda Whitebeard on 01922 657068.

Our Hawbush Campus is located at: **Walsall College, Hawbush Campus, Beeches Road, Walsall, WS3 1HB**

ASPENS

As you know Aspens manage our school kitchen. To continue to help them/us improve menus, quality etc Aspens would like parental feedback via the below link. If you have a spare minute or two, the portal will be open until the week before February half term. We would really appreciate your feedback.

Thank you as always for your ongoing support.
