

HEADTEACHER COMMENT

It has been a busy week in the academy with trips and visitors. Our early years & year one children had a visit from the Hobgoblin Theatre Company earlier in the week with their play of 'The greatest Fairy tale ever told'. Year five children had a history workshop today as part of their history lesson. Our tiny two children enjoyed a trip out to Adventure Land. I look forward to hearing all about it when they return. Thank you to the tiny two parents that supported and accompanied the children on the trip.

As you know, we celebrated Red Nose Day today with various activities including non-uniform and a cake sale. Once Mrs Ray has counted the final total, I will let you know how much we raised. Thank you to all the staff that donated cakes for our cake sale and for Mrs Ray who organised everything.

Our overall attendance has dipped this week, which is disappointing. Whilst I realise that some children can't help being off if they are poorly we really need to focus whole school on increasing our attendance to at least 96%, currently we're at 91% overall. May I also remind you that any time off during term time **will not** be authorised whatever the reason. I'm sure you will appreciate that it's important that your child attends regularly and your help to support in this matter is appreciated.
