

HEADTEACHER COMMENT

This week Hobgoblin Theatre Company visited years 2, 4 & 6 as part of their history workshops. Wednesday was World Maths Day. It was lovely to see all of the classes engaging in extra maths activities including outdoor maths, quizzes and maths through investigation. Each class had an overall winner who all received a prize.

Mrs Smith delivered whole class assemblies on Monday to raise further awareness of inclusion as part of World Down Syndrome Day.

This week years 5 & 6 started their bikeability lessons. It was lovely to see the children gaining confidence each day on their bikes.

Thank you to all parents that attended parents evening at the start of this week. It was lovely to welcome everyone back into school.

Enjoy the sunny weather that's forecast over the weekend.

Mrs M Lathbury-Cox

Making life better by water
Canal & River Trust is the charity that works with communities to transform their local canals and rivers, creating places and spaces that can be enjoyed by everyone, every day.

Charity No. 1148702

WATER BOTTLES

Please ensure that your child has a water bottle in school every day. It's proven that drinking water helps with concentration, so it's important that your child has access to one.

Thank you for your co-operation
