

HEADTEACHER COMMENT

It's been a busy week in the academy this week with three year groups going out on trips. Our nursery children enjoyed a visit to Ash End farm, Year six as part of their geography lessons went to Carding Mill Valley and year four visited Stratford upon Avon and the Mad Museum today as part of their science lessons. Hobgoblin Theatre Company visited again this week to year three to deliver 'The Curse of the Mummy' workshop.

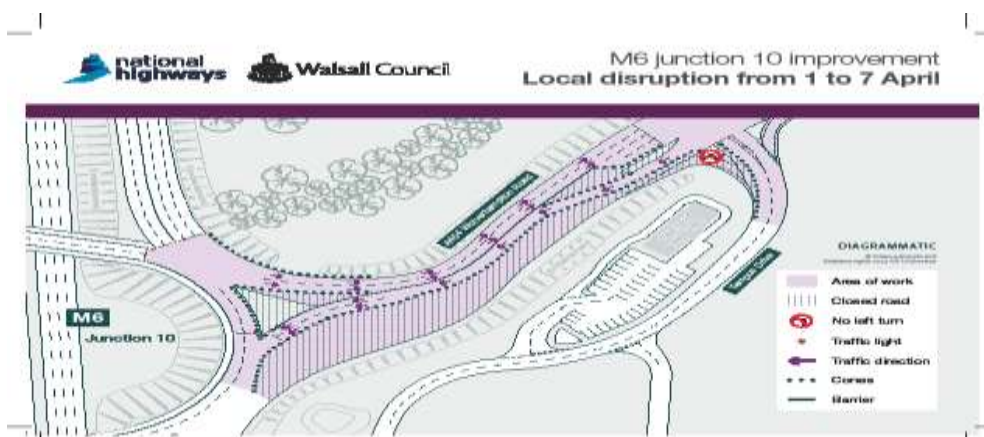

I am looking forward to seeing Easter bonnets from our early years and year one children next week. Miss Turley will video the parade and send the link afterwards to parents. Children from year two to six are invited to bring in their entries on Wednesday as part our Easter egg competition.

Well done to KS2 children that have achieved 100% attendance for this term since January. As their reward, they will go to see the latest showing of 'The Bad Guys' next Thursday. Our younger children in KS1 will have their pool party when we return after the Easter break.

It's pleasing to see that our overall attendance is increasing slightly week on week. Well done to Mrs Ray and 4KR who achieved 99.11% overall attendance this week. Keep up the great work.

Ramadan Mubarak to all our families that are observing Ramadan for the next month starting this weekend.

Mrs Lathbury-Cox

Contraflow work will start on Wolverhampton Road from 1-7 April so that resurfacing works on the westbound approach to junction 10 can be undertaken. It's expected this work will cause significant delays for traffic travelling west towards the junction. Please plan and allow additional time for your journey, considering alternative routes where possible. By installing this contraflow, it will cut down five weekends of road closures to one week of work, speeding up construction and reducing disruption for everyone.

Recycling Poster Competition

Let's recycle it right and save our planet!
Our rubbish can harm animals on land and in the oceans.
What can we do to help protect the environment and wildlife?
We need a poster to help us teach people to recycle more.

To celebrate the Great British Spring Clean we are looking for pupils from Years 5 and 6 to get involved with our recycling poster competition. There'll be two winners from each year group.

We are looking for posters that will teach others about how we can recycle to save our environmental and wildlife habitats.

Each winner will:

- ✓ Have artwork displayed at Aldridge and Blaxwich Household Waste Recycling Centres.
- ✓ Receive a certificate
- ✓ Receive for their school a litter picking kit, donated by Helping Hands, and a planter that has been made from recyclable materials by Suez UK.

The deadline for entries is 29 April
Winners will be contacted on 11 May

All entries need to be landscape on an A4 piece of plain paper. Make sure that the name and year group are put on the back of the poster. Please make sure all entries are completed in felt tip pen.

Submit your poster to your class teacher. The best posters will be sent into our judges. Teachers please send your competition entries to:

Email: cleanandgreen@walsall.gov.uk
Post: 200 Pelsall Road, Brownhills, Walsall, WS8 7EN

Any information provided will only be used for the purposes of contacting the winner. This information will only be kept for the duration of the competition and once winners have been selected and notified all other forms will be destroyed.

For further information on how we use your data see at: www.walsall.gov.uk
