

HEADTEACHER COMMENT

Last week our year six children completed their SATs tests. I was incredibly impressed with how they approached the week and how confident they were. I look forward to hearing how they got on when the results are back in July. Well done to all of our pupils.

Thanks to our year six team of staff for supporting them throughout the year and providing a working breakfast session each day. On Friday, all the children enjoyed a special breakfast; some sports activities together and a visit from the ice-cream man. This week our year two pupils are doing their end of key stage SATs too. Good luck to our pupils they have all worked really hard this year.

Well done to all of our year six children that attended every day last week and achieved 100%. Our year six pupils are looking forward to their trip to Drayton Manor on Friday.
