

HEADTEACHER COMMENT

We have had a number of great trips over the last couple of weeks including visits for nursery to the Sealife centre in Birmingham, Reception to the Play Village, Tiny Twos had a Teddy Bears picnic the park and Y2 spent a day at the beach. Our children behaved brilliantly and were a credit to you all.

We are all looking forward to a week of sporting events led by Mr Farley and Mr Beck. Look out for times and full details in this newsletter.

This week and next all pupils in Y1 to Y6 are sitting short assessments to capture what they have learned this term. We are introducing Pixl assessments in year five and across the academy from September. These assessments support us to identify any gaps in knowledge and ensure our children keep up. In September, I will run a parent workshop to show you how these support teaching and learning.

Teachers are busy writing reports at present. I'm looking forward to reading the children's reports over the next couple of weeks.

I'm pleased to announce that we have a new HLTA joining the team in September, Mrs Burton visited our academy yesterday to meet staff and get to know the children in year five. Mrs Burton will be supporting on a number of initiatives across the school including music.

Miss Turley is going on maternity leave in September. We wish her all the very best and hope to see her and the baby very soon. Mrs Wood is leaving to work in another school.

I'm pleased to announce that the reception teachers will be our Assistant Headteacher Mrs Smith and Mrs Maddison will be our EYFS phase leader as well as a new teacher Miss Warner in reception from September.

We have a couple of interviews over the next two weeks and I will update you on any additional staff joining the team in September. You will receive details on your child's new class teacher next week.

As always, this is a very busy time in the academy and I look forward to sharing lots of the lovely things we have planned including our summer fayre on Friday 8th after school.
