

### HEADTEACHER COMMENT

I would like to take this opportunity to welcome everyone back after our summer break. I hope that you have had a restful summer and time to spend with your family in the beautiful weather.

We've had a really positive start back. It has been lovely to see all of the children return to school looking extremely smart in their school uniform. We are working hard to ensure that all of our pupils attend school every day and we have re-launched our attendance reward system. More details to follow next week. Mrs Busby our attendance officer will be visiting each class over the next two weeks to discuss with the children the extra rewards.

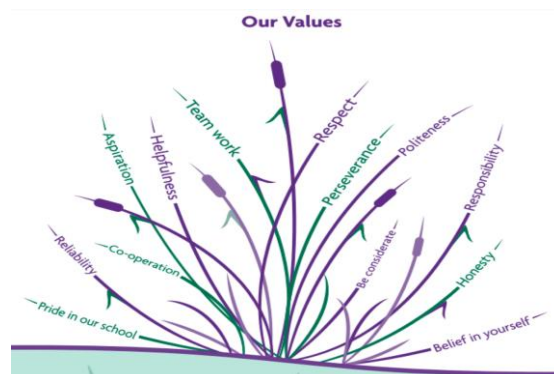

On Tuesday we had a visit from a new national primary director Martin Fitzwilliam. Together, we visited all of the classrooms and he was able to meet all of the children. I was extremely proud of our school team.

It's been a busy and productive first week. I have been impressed by the fantastic attitude of all of our children. They have made a brilliant start to this term and this is clearly demonstrated in their books.

Our pastoral team have been meeting families and offering a range of support. More details to follow on our parent workshops.

I'm pleased to say that our new library building is almost complete and we are awaiting a delivery of shelving and books. Our children are excited about visiting. We have a number of trips and visitors booked for this term starting with year 2 visiting the Black Country Museum on Friday 30<sup>th</sup> September.

## The behaviours we want to see

## JEWELLERY

A polite reminder that children are NOT to wear any jewellery on PE days.

Please ensure any earrings are removed. Only stud earrings are permitted at other times.

## UNIFORM

Please ensure that ALL uniform is labelled with your child's name. We have already had misplaced items and unfortunately without names it's very difficult for us to identify individual items.

Our supplier of cardigans, jumpers & PE T shirts are available from
