

HEADTEACHER COMMENT

Welcome back. I hope you have all had a fabulous break over the Christmas period and enjoyed time with your family and friends.

It's been a wonderful start back. The children are all settled straight back into learning and are excited about their new class readers and topics.

Thank you for supporting our year six pupils with the early start. The children have been amazing. I visited each classroom and the children were all excited about their learning and keen to do so well. I'm so proud of them all and I know that their teachers are too.

Thank you year six staff for providing this opportunity for our children.

I enjoyed working with my year six maths group this morning too. A great start on multi step measures (and fractions) questions - well done children.

Year four pupils are really working on improving their times tables and we are doing a workshop for parents to share some useful websites with you in the next few weeks. Keep a look out.

Welcome to the new children in tiny twos and those joining our nursery this week. It was lovely to see how settled and excited they were.

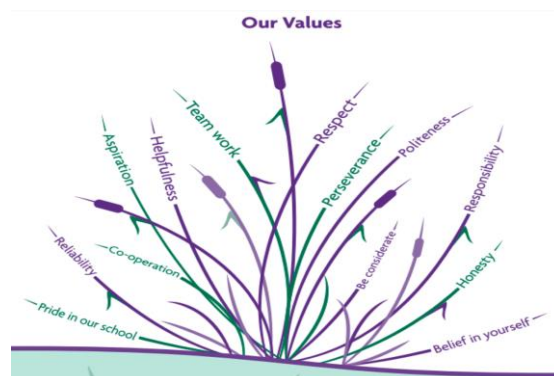

If you require a place for tiny twos please speak to Mrs Hammond in the school office.

I'm pleased to say that we remain a very popular choice and we are now almost full in all year groups. If you require a reception place next year and wish to have a visit please book to have a tour of the academy.

I'm looking forward to starting out first Parent Council meeting of this academic year on Wednesday 1st February between 9-10am. You are very welcome to attend.

Finally, our whole school target attendance figure is 97% which is what we're constantly striving to achieve and with your support in making sure children attend regularly I'm confident that we will succeed.

Mrs Lathbury-Cox

ABSENCE REPORTING PROCEDURE

Please may we remind you that if your child is off ill you must call school with a daily update. You can either speak to Mrs Cross our Attendance Officer or the school office on 01922 721323.

It is very important to have contact with school as your child's absence will be recorded as unauthorised otherwise.

Lateness has begun to improve in school over the last term. However, some children are still coming into school late. Please remember the doors open at 8:45am and close at 8:55am.

Please give yourselves plenty of time to travel particularly to park your car safely. If you do live near to school, please walk where and when possible.

Children don't like being late as; they miss the start of a lesson, sometimes feel embarrassed, miss out on being able to talk to their teacher in the morning or they miss out on finding about what they are learning today.

SONS OF REST – COMMUNITY NEWS

We are excited to announce the launch of a community connected hub at Reedswood sons of rest Talbot House, Bentley lane WS2 8SP (opposite The Alma Pub)

We will be supporting all users with access to council services and digital access.

Opening hours Monday to Thursday 9am to 1pm.
Starting Monday 9th January 2023.

Please contact Shokt Fazal for any further information
