

HEADTEACHER COMMENT

This week several year groups have been completing their pixel tests for reading, mathematics and spelling punctuation and grammar. I know that the children are working really hard and I can't wait to see how well they have done.

On Thursday we had a visit from a number of Headteachers and senior leaders from schools in our trust. On a tour of our academy, it was wonderful to see all children are engaged in learning and enjoying our exciting reading curriculum.

This morning I visited our reception children's phonics lessons. All groups were working really hard, especially with their handwriting, pronunciation and blending.

I'm pleased to inform you that Miss Shoker has successfully been appointed as a permanent class teacher in year 3. We wish her every success at Reedswood.

Our year four pupils enjoyed an educational visit from the Fire service. They enjoyed seeing the fire engine and learning about keeping safe.

Mrs M Lathbury-Cox

CHD AWARENESS

To support CHD (congenital heart defects) awareness day on
Tuesday 14 February
We're asking staff and children to wear something red – this could be for example a t-shirt, red socks, red hair ribbon. Children would still be expected to wear their uniform as normal with just one item of red clothing or red accessory.
Thank you in advance for your support

**Congenital Heart Defect
Awareness Week.**

7th - 14th February!

NUT FREE SCHOOL

Due to some of our children having severe allergies to nuts or products containing nuts we continue to promote being a 'nut free school'. Please be mindful when making your child's packed lunch **not to** include any items such as peanut butter sandwiches, bars including nuts etc.
