

HEADTEACHER COMMENT

We've finally reached the end of a very exciting and busy term. The children across the school have enjoyed a range of wonderful enrichment opportunities including: the Roman experience, the exotic zoo, a visit to London and many more. These are all memorable moments for our children.

To finish the half term we've had a number of events this week including two SATs workshops for year two and year six. Thank you for attending and supporting our preparation for their assessments. Year six children will be bringing home a pack of resources to support them during the Easter break.

A huge thank you to both teams of staff for supporting and preparing our children, so they do these assessments confidently and very well prepared.

On Thursday we are having our yearly egg competition and Easter bonnet parade. The children are all very egg... cited!!!

This week the year two pupils went on a faith walk to the mosque and the local church. The children really enjoyed this experience linked to our RE curriculum.

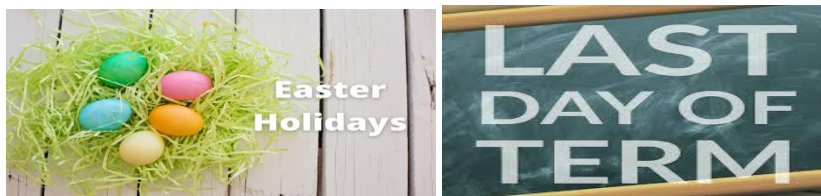

Have a relaxing and peaceful holiday and I look forward to welcoming you back after Easter and sharing with you all the exciting things we have planned in our summer term.
