

HEADTEACHER COMMENT

Welcome back to the second half of spring term I hope you all enjoyed some relaxing family time last week. It's been a great start back and attendance has been good.

Children enjoyed exploring their class mystery books yesterday as part of World Book Day. Thank you for your support in non-uniform day on Friday to raise funds for the earthquake victims in Turkey & Syria. Once we have our final count we will let you know how much we raised.

Thank you to the parents that attended the year one phonics meeting on Wednesday, as always we're grateful for your support.

On Wednesday 8th March we're looking forward to having the videographer & photographer in the academy to take video/photo shoot as part of our latest promotional material which will include updating our prospectus material.

Beat the Street physical activity game is coming to Walsall

The popular interactive Beat the Street competition that rewards people for walking, cycling and rolling is set to take place in Walsall in March and April.

The game has been designed to get communities to move more and to make small lifestyle changes, such as walking or cycling to school or work every day.

Beat the Street not only has a significant impact on increasing low levels of physical activity amongst adults and children, but also helps reduce congestion, improves air quality, and helps families spend time in green spaces together.

The game is open to anyone of any age who would like to take part and takes place across Birchills Leamore, Willenhall South and Bentley & Darlaston North from Wednesday, March 15 to Wednesday, April 26.

Children use a card and map which will be provided by participating primary schools, and adults can pick up a free card from one of the distribution points listed on the Beat the Street Walsall website which will go live shortly at beatthestreet.me/walsall.
