

### HEADTEACHER COMMENT

Thank you to those parents that joined class teachers and Mrs Smith our SENCO after school this week to discuss individual children's IEP's.

I met this morning with 2 colleagues from our trust to discuss being part of an I.T pilot. During the meeting we toured the academy. I look forward to becoming part of the digital technologies project.

I have enjoyed meeting with children from most year groups today to discuss pupil voice for mathematics. All of the children were very articulate and showed great knowledge of the subject.

As part of our leadership monitoring we also did an early reading learning walk in reception and Year 1 during phonics lessons.

I hope all of our families that celebrated Eid enjoyed the celebrations last weekend.

Enjoy the bank holiday this weekend and I look forward to seeing everyone again on Tuesday.

### **Parking restrictions outside the school**

It is an offence to stop or wait in your vehicle outside a school where the road is marked with yellow zig-zag lines during restricted times. If you do, you could be fined.

The restrictions apply:

- to everyone, including blue badge holders
- from the edge to the centre of the road
- even if you're only picking up or setting down children

This is to make the road safer for pedestrians – particularly children.

### **How the restrictions are enforced.**

CCTV vehicles visit our schools on rotation. The camera will capture the registration number of your vehicle if you stop or park in a restricted area.

### **Cost of a PCN**

The charge for stopping outside a school where the road is marked with yellow zig-zag lines during restricted times is £70.00. If we receive your payment within 14 days of the notice date (which will appear on the PCN) the charge is reduced to £35.00.
