

HEADTEACHER COMMENT

On Monday we had our school review. It was a really positive day. We started by exploring our early reading across reception, year one and year two. It was fantastic to see the wonderful progress of all of our pupils. I am very proud of our phonics and early reading provision. Mrs Jones and Mrs Nasir conducted a full learning walk showing the fidelity of our phonics programme.

Our next activity was to visit maths lessons, explore children's books and speak to the children about their mathematics. I'm pleased to say that all children were able to speak confidently about their work and demonstrate the knowledge and skills that they have acquired. We are proud of our achievements in mathematics across school.

Our leaders of other areas including history, music, personal development, EYFS, SEND and pupil premium also were able to share the fantastic work of our pupils through books, lesson visits and talking to the children. The children were really confident and knowledgeable.

On Tuesday our year two children started completing their key stage one SATs tests. All of the children worked confidently and demonstrated resilience this week. A huge well done to all of our children. Thank you also to the year two SATs team led by Mr Peatroy. The children have one more day of tests on Monday and then they will all be completed.

We have almost reached the end of a busy half term. Please continue to support your child attending school every day. We are working hard to achieve our attendance target of 97%.

Mrs Lathbury-Cox

DIARY DATES

29 May to 2 June – Half term holiday
5 June – Return from half term
7 June – Year 1 Phonics screening test week
