

Medium Term Plan for Daily Provision –

Summer Term – Reception 2023 - 2024

Curriculum Coverage:	Data Implications:	Special Focus:
<p>Communication and Language Listen attentively and respond to what they hear with relevant questions, comments and actions when being read to and during whole class discussions and small group interactions Make comments about what they have heard and ask questions to clarify their understanding Hold conversation when engaged in back-and-forth exchanges with their teacher and peers. Participate in small group, class and one-to-one discussions, offering their own ideas, using recently introduced vocabulary Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate Express their ideas and feelings about their experiences using full sentences, including use of past, present and future tenses and making use of conjunctions, with modelling and support from their teacher.</p> <p>Physical Development Negotiate space and obstacles safely, with consideration for themselves and others Demonstrate strength, balance and coordination when playing Move energetically, such as running, jumping, dancing, hopping, skipping and climbing. Hold a pencil effectively in preparation for fluent writing – using the tripod grip in almost all cases Use a range of small tools, including scissors, paint brushes and cutlery Begin to show accuracy and care when drawing. PSED Show an understanding of their own feelings and those of others, and begin to regulate their behaviour accordingly</p>		<ul style="list-style-type: none"> ● Writing phrases and sentences ● EAD – exploring a wide range of materials and techniques as well as opportunities for performing and singing ● Number bonds, Odds and Evens and subitising
	<p>Core Texts: Summer 1: Superheroes:</p> <ul style="list-style-type: none"> ● Supertato by Sue Hendra and Paul Linnet ● Little People, Big Dreams (Rosa Parks) by Lisbeth Kaiser ● Little People, Big Dreams (Malala Yousafzai) by Maria Isabel Sanchez Vegara <p>Life Cycles:</p> <ul style="list-style-type: none"> ● The Chicken Who Hatched a Cow by Adam Bestwick ● From Egg to Chick by Scholastic <p>Summer 2: Castles:</p> <ul style="list-style-type: none"> ● Cinderella and her Bossy Sisters by Mark Sperring and Barbara Bongini ● The Knight who Wouldn't Fight by Helen and Thomas Docherty 	<p>Festivals/ Special Occasions:</p> <ul style="list-style-type: none"> ● Superhero Day ● Father's Day ● Sports Day <p>Other Learning Experiences:</p> <ul style="list-style-type: none"> ● Trip to Telford Wonderland – ● Superhero parents workshop – ● Stay and Create – ● Stay and Explore – <p>(All above dependant on Covid restrictions)</p>

<p>Set and work towards simple goals, being able to wait for what they want and control their immediate impulses when appropriate</p> <p>Give focused attention to what the teacher says, responding appropriately even when engaged in activity, and show an ability to follow instructions involving several ideas or actions.</p> <p>Be confident to try new activities and show independence, resilience and perseverance in the face of challenge</p> <p>Explain the reasons for rules, know right from wrong and try to behave accordingly</p> <p>Manage their own basic hygiene and personal needs, including dressing, going to the toilet and understanding the importance of healthy food choices.</p> <p>Work and play cooperatively and take turns with others</p> <p>Form positive attachments to adults and friendships with peers</p> <p>Show sensitivity to their own and to others' needs.</p>	<ul style="list-style-type: none"> ● Zog and the Flying Doctors by Julia Donaldson <p>Guess How Much I Love You?</p> <ul style="list-style-type: none"> ● The Jolly Postman by Janet and Allen Ahlberg ● Love Monster by Rachel Bright ● Guess How Much I Love You? by Sam McBratney ● What We'll Build by Oliver Jeffers 	
<p>Literacy</p> <p>Demonstrate understanding of what has been read to them by retelling stories and narratives using their own words and recently introduced vocabulary</p> <p>Anticipate – where appropriate – key events in stories</p> <p>Use and understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes and poems and during role-play.</p> <p>Say a sound for each letter in the alphabet and at least 10 digraphs</p> <p>Read words consistent with their phonic knowledge by sound-blending</p>	<p>Links to National Curriculum Areas:</p> <p>History:</p> <ul style="list-style-type: none"> ● Castles – We will look at pictures of castles. We will look at what different parts of a castle are for. We will learn about why we needed castles. (example- moat and drawbridge) ● Knights/ Kings/ Queens – We will learn about the job of a knight. We will learn about our current Queen. (Knights protected the Kings and Queens, current Queen is Queen Elizabeth II) ● People – We will look at a range of historical figures and what they are recognised for. We will discuss their achievements. ● Communication –we will discuss how communication has changed over time such as letters, postcards, emails, text messages, FaceTime etc. (we use lots of e-mails and texts now but these weren't available in the past so people wrote letters or made phone calls) 	<p>Daily Routines:</p> <ul style="list-style-type: none"> ● Transition to Year One ● Swimming and Yoga
<p>Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words.</p> <p>Write recognisable letters, most of which are correctly formed</p> <p>Spell words by identifying sounds in them and representing the sounds with a letter or letters</p>	<p>Geography:</p> <ul style="list-style-type: none"> ● What grows where? – We will discuss different plants and where they grow. We will discuss different climates. We will look at these countries on a map. ● How do we travel to other places? – We will discuss different modes of transport. We will talk about which mode of transport is most suitable to 	<p>English:</p> <ul style="list-style-type: none"> ● Reading sentences – We will learn to use our phonics to read whole sentences. We will be able to understand what we have read.

<p>Write simple phrases and sentences that can be read by others.</p> <p>Mathematics Have a deep understanding of number to 10, including the composition of each number Subitise (recognise quantities without counting) up to 5 Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts. Verbally count beyond 20, recognising the pattern of the counting system Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally.</p> <p>Understanding the World Talk about the lives of the people around them and their roles in society Know some similarities and differences between things in the past and now, drawing on their experiences and what has been read in class Understand the past through settings, characters and events encountered in books read in class and storytelling Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps Know some similarities and differences between different religious and cultural communities in this country, drawing on their experiences and what has been read in class Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and – when appropriate – maps. Explore the natural world around them, making observations and drawing pictures of animals and plants</p>	<p>travel to a variety of places. (we would use an aeroplane to travel to India but a bus to travel to Walsall)</p> <ul style="list-style-type: none"> Local Community – We will learn about emergency services and how they help us in our local area. We will ask find out facts about emergency services. (doctors help us if we are poorly, firefighters help us if there is a fire) Identifying Countries on a map – We will explore where different countries are on a map. We will discuss what a map is used for. 	<ul style="list-style-type: none"> Comprehension – We will answer questions about what we have read ourselves. Writing sentences – We will learn to write sentences using our phonics skills. We will think of our own sentences to write. Spelling – We will learn to spell high frequency words correctly. We will spell words using sounds we know. We will begin to learn different ways of writing sounds. Reading and writing irregular words – We will learn to read some high frequency words. We will learn to use those words in our writing.
	<p>Science:</p> <ul style="list-style-type: none"> Animal habitats – We will learn where different animals live. We will discuss why different animals need different habitats and compare them. Floating and Sinking – We will explore which objects float and which objects sink. We will understand what the words float and sink mean. Life cycles- We will look at the lifecycle of chickens using Living Eggs we will discuss each stage. (the chicken lays an egg, keep the egg warm, the egg hatches, a chick comes out – the cycle repeats) 	<p>Maths:</p> <ul style="list-style-type: none"> Add and subtract single digit numbers – We will learn the symbols for addition and subtraction. We will learn to use objects to add and take away. Order and recite numbers to 20 – We will learn to put and say the numbers from 0-20 into the right order. Subitising – We will learn to recognise how many there are in a small number of objects without counting them.

<p>Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class Understand some important processes and changes in the natural world around them, including the seasons and changing states of matter.</p> <p>Expressive Arts and Design Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function Share their creations, explaining the process they have used Make use of props and materials when role playing characters in narratives and stories Invent, adapt and recount narratives and stories with peers and their teacher Sing a range of well-known nursery rhymes and songs; Perform songs, rhymes, poems and stories with others, and – when appropriate – try to move in time with music.</p>		<ul style="list-style-type: none"> ● Odd and Even numbers – We will learn which numbers are odd and which are even. We will learn number patterns. ● Doubling, halving and sharing – We will learn the doubles of numbers up to 10. We will learn to halve numbers up to 10. We will learn how to share objects out into equal groups. ● Number bonds to 10 – We will learn number bonds for numbers up to 10. We will be able to recall number bonds and the subtraction facts.
