

HEADTEACHER COMMENT

Today our year three pupils have enjoyed a day exploring the Stone Age. They have thoroughly enjoyed the interactive workshop and have been able to demonstrate their knowledge so far this term.

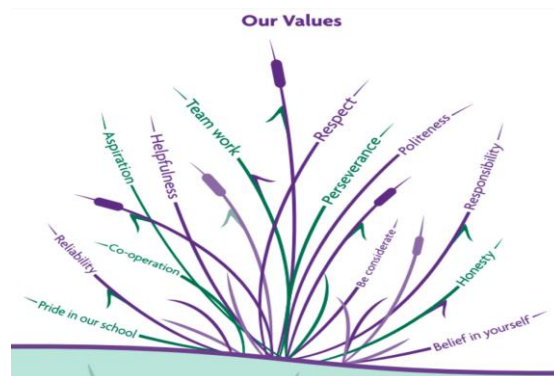

This week our pupils have been doing their Pixl assessments across school in English and Mathematics. Also, our year one pupils have completed a short assessment too. I look forward to seeing how well they have done.

Reading remains high priority for us and Reedswood. The children were tested at the start of term to ensure they are on the correct reading book band. It's super to see the progress our pupils have made so far.

We had a visit this week from some teachers at Mansfield Green. We visited year six classes and our EYFS classrooms including Tiny Twos and our phonics sessions. I was really proud to see how hard our pupils were working and the knowledge and understanding they demonstrated.

Our youngest children in Tiny Twos have settled well. It was lovely to see them engaging in a range of activities including singing and dancing.
