

### HEADTEACHER COMMENT

It's been a busy week at Reedswood this week. It's an exciting half term with lots of events planned for the pupils.

A super start to learning – the Senior Leadership team have been visiting classes and talking to pupils about their new learning. The children have shown brilliant attitudes towards learning.

I would like to announce our pupil leadership team and safeguarding ambassadors. I know they are eager to start working in their new roles.

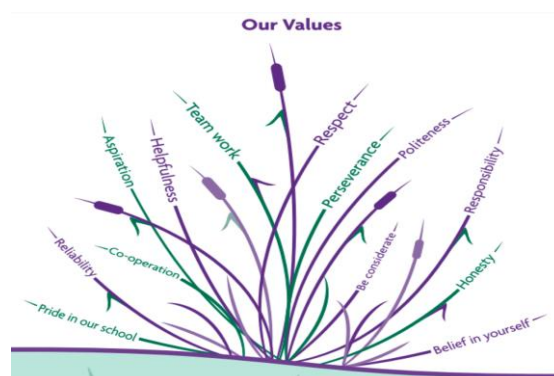

Thank you for supporting whole school attendance. There has been a significant improvement this week. Well done.

I'm at the Headteacher conference next week in Bristol on Thursday where I will meet with leaders from across the trust.

We will be arranging our parents meeting soon too - look forward to seeing you soon.

You may have noticed we have had contractors on site this week. I'm pleased to say that the solar panels have now been installed on the school roof. This is very exciting as we are only the 3<sup>rd</sup> school in the trust to have the panels. Long term we will see the benefits helping to reduce our energy costs and helping the environment.

## FREE SCHOOL MEALS

All children in Reception, years 1 & 2 are automatically entitled to a free meal, this is regardless of parental income. However, we still require all children in these year groups to complete a form regardless.

If you think you may be entitled to be in receipt of free school meals we would encourage you to complete the online application as we receive much welcomed funding that we can spend on the children.

This applies in particular to children who moved to Year 3 in September who no longer automatically receive a free meal.

Please ask the school office for an application form.
