

HEADTEACHER COMMENT

This week our year six children enjoyed a visit to Frank Chapman, although it was a rainy day the children had a fabulous time and were engaged in all the outdoor orienteering activities. Our Year 1 and Year two children also had a super enrichment event this week. They had a visit from Zoo Lab and thoroughly enjoyed a close encounter with a range of animals. Our reception children are looking forward to a trip next week to the pumpkin farm. They are very excited and I can't wait to hear all about it. Look out to for an invite to parent council after half term. Please ensure that the children come to school every - I can't wait to hear on Friday how each class have done and who wins the treats this half term. We have a new attendance challenge - attend school for 34 days - and you get a chance to win an amazon voucher. Good luck everyone.

Have a lovely half term break.

Mrs M Lathbury-Cox

WE'RE GOING COMPLETELY CASHLESS...

As you know we have used Parent Pay since 2020 for payment of trips, lunches, uniform etc. We continued to accept cash for tuck items, however **from Tuesday 7th November** we will **no longer be accepting cash** and all tuck payments **MUST** be made on Parent Pay at the start of each week if you require your child to have morning tuck.

BREAKFAST CLUB

We have had to review our breakfast club provision. From Tuesday 7th November spaces will be limited to strictly 40 per day at a cost of £1 per child per day including breakfast. To book your space please speak to Mrs Hammond in the school office. **All spaces must be paid in advance, either weekly, half term or termly via Parent Pay.** This service is primarily used for working parents dropping off at 8am. Unfortunately, we will no longer be able to accept late arrivals after 8.20am who have been using the service as an early drop off only but not staying to breakfast. Any children that have been invited to breakfast club as they are attending an academic booster session free of charge will continue as normal and won't be affected.

Walsall Council presents

JOIN US!... Become an Ambassador for E-ACT

We are looking for individuals who can support our school to build meaningful relationships with the local community.

Your contribution..

- Attending meetings that review the schools links with local organisations
- Establishing and maintaining professional relationships with senior staff and local leaders
- Getting to know the school, including visiting the school occasionally during school hours
- Undertaking induction training, developing knowledge and skills on an ongoing basis
- Supporting events like mock interviews and enterprise days
