

HEADTEACHER COMMENT

On Monday our year five pupils enjoyed a visit to Harry Potter world in London. The children had an amazing time in this truly magical place. This experience helped to bring the class reader alive.

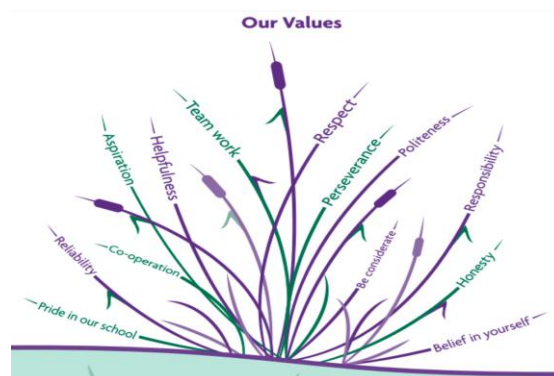

Attendance was much improved this week and it's now slightly above the Walsall average. We are still working hard to improve our attendance so that it is above the national average. The 34 day challenge is going really well. Good luck to everyone. Our year six children have been completing their mock tests this week. I've been popping into lessons to see how they are doing. I'm pleased to say that they have made brilliant progress. The children were confident and well prepared and have been able to demonstrate all of the fantastic learning in reading, mathematics and spelling punctuation and grammar. I'm particularly impressed with how excited they were to hear feedback on their progress. Huge congratulations to our year six team. Children have made accelerated progress over the last half term and can demonstrate knowing more and remembering more. Well done.

Our year one children have completed an assessment for their phonics and I am pleased to see what fabulous progress all the children have made.

Thank you to our phonics team for their continued hard work and the children for fabulous phonics work. We are really proud of them.

We have lots of exciting activities planned over the next four weeks take a look at some of the planned activities in the newsletter.

Mrs M Lathbury-Cox
