

### HEADTEACHER COMMENT

We reached the end of a busy and productive term.  
Over the last week children have enjoyed a range of Christmas activities including parties and a disco. The children had such a lovely afternoon.

On Wednesday afternoon we had a visit from David Roper, one of our trustees. David spent a lovely afternoon with reception. Yesterday, I enjoyed watching the second nativity performance. The children were amazing. All of the children enjoyed rehearsing. They were really confident to speak in-front of an audience, remembering their lines, acting and singing some festive songs. I'm sure you will agree with me, it was a magical performance. I'm really proud of our reception children.

On Thursday afternoon everyone had a great Christmas celebration, our EYFS and Year One children had their Christmas party and enjoyed Christmas activities. Take a look on Twitter. The rest of the school enjoyed the Christmas party and disco.

I'm really excited for the term ahead as we have some fabulous activities planned and events for you to attend.

We will be welcoming a new intake in our nursery and tiny twos provision. Speak to the office if you require a place in a nursery as we are filling up fast.

Reflecting on the last term, I'm proud to see the achievements that are pupils are making and the progress that is shown in both their books and end of term reports. I'm sure that you will have enjoyed reading them.

I hope that you all have fabulous Christmas break and spend some quality time with your family and friends. I'm also looking forward to the term ahead which starts on the 8th of January to continue our educational journey.

We have some new and exciting sports enrichment days planned for the coming term and I will shortly share these with you. I know that the children will be thrilled with the plans.
