

I am thrilled to share that our Year 5 pupils recently experienced a fascinating Victorian workshop. The children thoroughly enjoyed stepping back in time and learning about this significant period in history.

In other exciting news, our Year 1 children have shown super progress in the Phonics Screening Check. I look forward to sharing detailed results with you very soon. A big thank you to our dedicated Year 1 phonics team, led by Mrs Jones and Mrs Nazir, for their hard work and commitment. To celebrate, all of the children and staff enjoyed ice creams this week.

As we near the end of the academic year, our teachers are diligently working on report writing. I am eager to read their assessments and see the fantastic progress your children have made.

Our staff are enthusiastic about meeting their new classes on Transition Day on the 8th July and are already preparing for a successful year ahead.

This week, I have attended a Headteachers' Conference, where school leaders from across the trust will convene to strategically plan for the upcoming year. This is a valuable opportunity to ensure we continue to provide the best possible education for our children.

Thank you for supporting our own clothes days last Friday and again on the 28th June. We're very much looking forward to another enjoyable summer fayre on the 5th July.
